Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: The development does not have any shops or a doctor surgery, the addition of these 200 properties will increase the local population by at least 200 - 300 people, the doctors surgery is

over subscribed and currently under investigation by the CQC.
I also believe that the current infant/ Junior school is at capacity.
Traffic along the Turners hill road is currently overcrowded
causing traffic jams at the Dukes head roundabout and much
more congestion in Turners hill village at peak times. Currently is
is very hard to join the turners hill road from Crawley down village.

Kind regards
