Ref No: DM/24/3077 -Proposed Aldi Development

Afternoon,

Please note that I support the proposed Aldi development. Haywards Heath needs more cost-effective shopping option -Sainsburys & Waitrose are still highly priced for what they are offering and Aldi would offer good competition. It would also mean new job opportunities.

Please note that I don't require any feedback or communication from this email chain and do not wish to be placed on any mailing lists.

many thanks,
