Good afternoon,

I would like to register my objection to the above planning proposal.

My objections are centred around two main points of concern.

Firstly, and primarily, Bolney is an old, small village. It is defined by these two qualities. Building a new housing estate of this size fundamentally over-shadows these qualities and the village's identity will be lost forever.

Secondly, the infrastructure is not in place to support this level of extra housing. The village services simply will not meet the extra demand.

Yours sincerely
Stuart Shee
