Comments:

We have already done this form before!! there is no road room or buses or shops or school places or doctors or dentists and our water runs out and the internet is rubbish and there are no shops or things to do here. They should build houses near towns with buses and shops and stuff.

Also that road is crazy and scary and there are always crashes and we dont go near it cos its dangerous. and more cars make it more dangerous. And when it gets busy they drive fast down our road then OUR road is dangerous and everyone walks back from school so its dangerous for kids too.

Kind regards
