Comments:

I was born at the Princess Royal Hospital in 1996 and spent my formative years in Bolney where my parents raised me with my sister. I would like to object to the planning application as having enjoyed the lovely village of Bolney and the surrounding fields and recreation ground I would hate to see it spoilt with the addition of 200 new homes. I also learnt to drive in Bolney and having driven along the A272 a lot I have noticed it getting much busier since I first passed my driving test when I was seventeen. The village is lovely and quiet and even though it doesn't have much in the way of facilities or public transport I would hate to see it ruined with more housing. I strongly object to the planning application.

Kind regards
