Comments Details

Comments:	The Town Council objects to this application due to the placement of the refuse and recycling bins. The Town Council contends that whilst developing the area and adding more flats would be beneficial, the location of the bins is detrimental to The Broadway, which is regarded as Haywards Heath's entertainment quarter. The appeal of this area is that it supports restaurants, particularly 'al fresco' / street dining. This aspect of the town should be for public realm with a view to eventually pedestrianise the area, as referred to in the Haywards Heath Town Masterplan. The Town Council is concerned that residents and other businesses on The Broadway may find it unacceptable to have commercial and residential bins in such close proximity to the street and outdoor dining areas.
