Hi Max,

I write with regards to the above application for a non - material amendment.

I am waiting on addition information to be submitted in connection with the proposed extended acoustic screen around the plant on the roof.

This application has gone beyond its determination deadline and I would be grateful if you could please confirm your agreement to an extension of time.

As I am unsure when I will be in receipt of the additional information I am going to suggest we extend the application for another 3 weeks, which is 30th April?

I look forward to hearing from you.

Kind regards,

Rachel.
