

Delta, South Bank, Hassocks
Extension Design

Delta

Objective

- 1) Double garage conversion, to create a second reception room
- 2) Create downstairs shower room from existing WC and cloakroom
- 3) Replace porch with new rear/ side extension

Exterior
reference
images

Utilise materials / colour and style from the South elevation.

Use a tone of wood that matches the tiles and ensure the new extension is in keeping with the 1970's mid century style of the existing property.
