Subject: DM/24/0446 Land off Scamps Hill, Lindfield

Dear Stuart,

I have reviewed the Arboricultural Report for this application and can see that the better-quality trees are to be retained. There is a relatively small number of trees/ hedges to be removed to facilitate the proposal. I would have no objection to this proposal.

I would like to ensure that the landscaping plan favoured native trees, over ornamental, but this could be secured as a condition, at a later stage.

Many thanks and kind regards

Emma
