Hi Jo

Thank you for forwarding me the applicant's response to the built heritage comments on the above application. I have read and considered the points made, but I do not feel the need to revise or expand on my previous comments. There is obvious disagreement as to the nature and extent of the impact of the proposal on the settings of the adjacent heritage assets, but I feel that my previous assessment is sound and the applicant provides no significant new evidence which would alter my position on the matter.

Thanks,

Emily
