

I am [REDACTED] of The Ridings, Rusper Road, Ifield Wood, Crawley, West Sussex, and I do solemnly and sincerely declare and say as follows:-

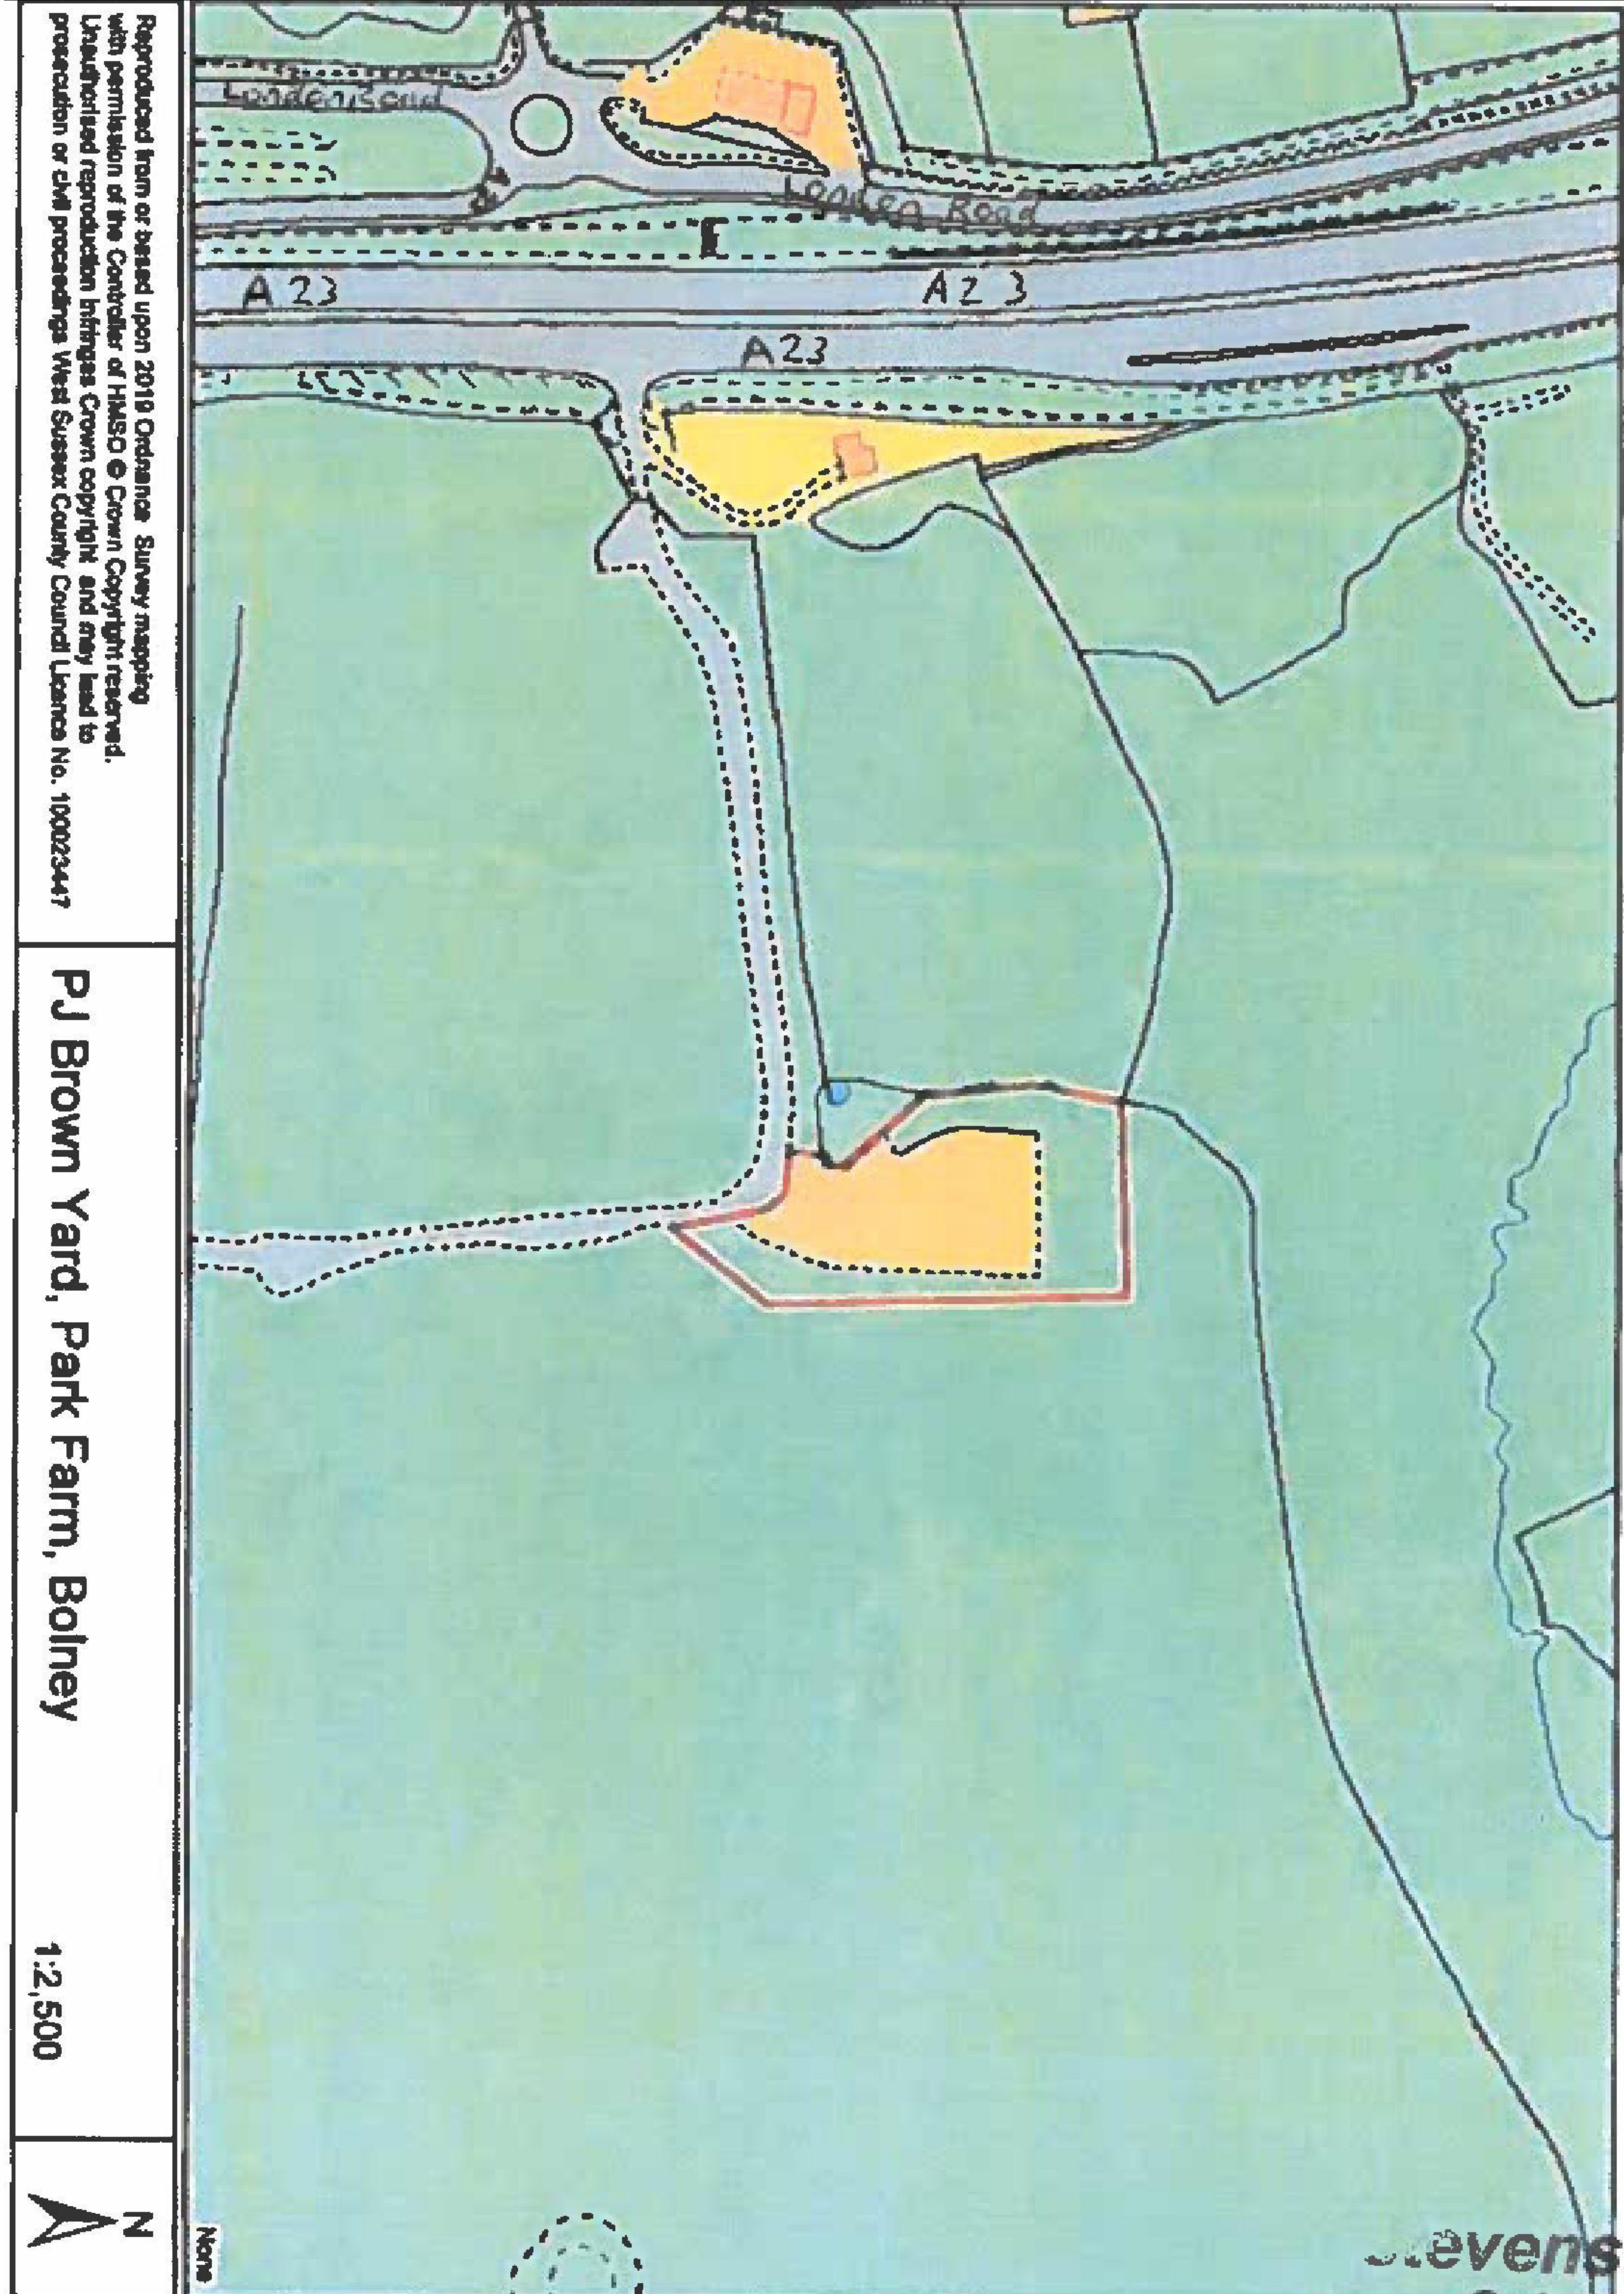

1. I am General Manager of PJ Brown (Civil Engineering) Ltd, and I am giving this declaration in support of the appeal at "Land east of Dan Tree Farm, A23, Bolney" ("the Site"), as shown on the plan attached at DF1.
2. My involvement in the operations of Browns is a mixture of administrative work and representative. My role entails that I route the lorries on a day to day basis, and I tender to prospective clients.
3. The lorries we use transport recyclable waste to the site on a daily basis. This material is then screened and processed, such that it can be sold as recycled material. The recycled material is then sold from the site.
4. I very frequently visit the site to assess the quantum of material we have available to supply on the day to prospective clients, and the quantum we will be able to supply following its processing.
5. These activities have been my role throughout my working life at Browns, and so I can confirm that the site has been in use as it is currently, for a period far exceeding 10 years, since 2007.

AND I make this solemn declaration consciously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act 1835
