

I am [REDACTED] of Uppestone Farm, Dane Hill, RH17 7JJ, and I do solemnly and sincerely declare and says as follows:-

1. I am giving this declaration in support of PJ Brown (Civil Engineering) Ltd ("the Appellant") regarding their appeal at "Land east of Dan Tree Farm, A23, Bolney ("the Site"), as shown on the plan attached at C11.
2. I am a fifth generation sheep farmer and I have grazed sheep with the Rawlins at their previous property in Forest Row and subsequently at Bolney Park Farm from 1998 through to 2011.
3. During the period of time that I grazed sheep at Bolney Park Farm, I was aware of all the land reclamation from when work started to when it was completed in 2007.
4. After the land reclamation works were finished, and during 2007 through to 2011, whilst I used the land to graze sheep, I was fully aware of PJ Brown operations in the area highlighted on the map. This involved the use of large machinery described to me as crushers.
5. My only reason for limiting the use of the land at Bolney Park Farm for grazing was that I was able to secure a couple of large areas of grazing closer to my farm in East Sussex and therefore it was a more convenient option both in terms of time and travel costs.
6. The grazing in East Sussex was no longer available to me from 2022. As I was aware that the Rawlins continued to graze sheep on their land through the autumn winter periods, I contacted them to ask if I could make use of their land through 2023/2024.

AND I make this solemn declaration consciously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act 1835
